

Kearns Improvement District Beauty of Water Conservation Award

Kearns Improvement District would like to award our residents for water wise practices through our Beauty of Water Conservation Award. We are looking for residents who have installed water-wise landscaping and practice water conservation methods for yard maintenance. This award is available to all customers. Four awards will be given out. Each award winner will receive a cash prize of \$100.00

The awards will be judged on the following criteria:

- Overall aesthetic appeal
- Proper use of turf
- Proper plant selection
- Proper irrigation systems (drip or spray) and scheduling
- Effective use of landscapes or non-plant material and mulches

You may nominate yourself or someone you know that has a beautiful landscape and is water wise. When submitting your nomination please provide the name, address, color photos of landscape. An entry form can be downloaded or obtained from our office.

Entry forms must be submitted to our office by July 31, 2010 (District staff may visit your home to view your landscape and irrigation systems)

Awards will be selected by the Conservation Committee and will be awarded this fall.

For further information, please contact the Kearns Improvement District at 801-968-1011.
